Define the Problem Statements

Date	31 September 2022
Team ID	PNT2022TMID25555
Project Name	Trip Based Modelling of Fuel Consumption
Maximum Marks	2 Marks

Customer Problem Statement Template:
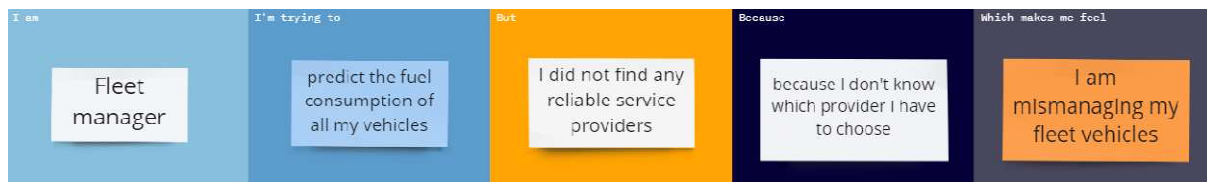

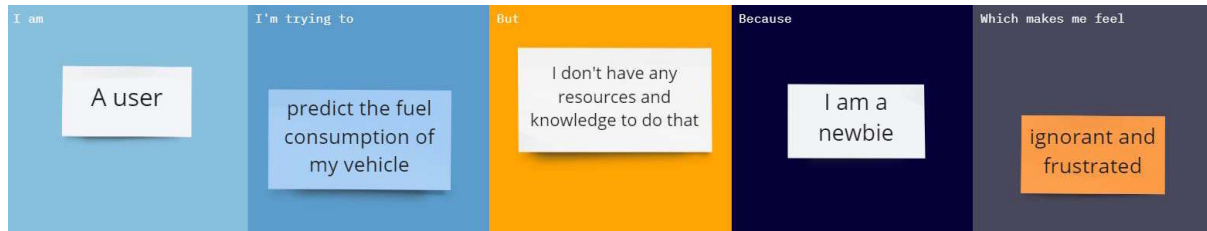

Problem Statement (PS)	Iam (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A user	predict the fuel consumption of my vehicle	I don't have any resources and knowledge to do that	I am a newbie	ignorant and frustrated
PS-2	Fleet manager	predict the fuel consumption of all my vehicles	I did not find any reliable service providers	Because I don't know which provider I have to choose	I am mismanaging my fleet vehicles
